### LISTENING CARD STORY

Emma has the biggest house in her neighborhood. Her house has 7 bedrooms, 5 bathrooms, 2 living rooms, 1 kitchen, and a huge garden. She likes having her friends over for sleepovers. There is always room for everyone. One day when she came home her mom was crying in the kitchen. She was upset and asked her why, her mother smiled and said "nothing." Then she looked at the kitchen table. There were chopped onions. Her mom was making curry for dinner. Emma asked her mom if she could call some friends to come over for dinner. Her mom said "yes!" so she called her best friends to come over that night and have dinner together. Emma and her friends love curry. They were very happy!
