### LISTENING CARD STORY

One sunny day, Mia and Diego visited a local pizza restaurant. Mia ordered a seafood pizza and a fizzy drink. Diego got a tea and a hot dog with ketchup and mustard. While enjoying their meal, Mia noticed a flyer for a special sale at the nearby supermarket. They decided to check it out. After they were done eating, they walked into the supermarket and saw there was a whole new aisle with only snacks! Mia picked up a bag of candy, some chewing gum, and a bag of popcorn. Diego grabbed a bag of potato chips with garlic, and a peach jelly. At the counter, the cashier told Mia and Diego that there was a sale and all items were half price. They were very happy and paid for the treats. Mia and Diego headed home, excited to share the snacks with their family.
