LISTENING CARD STORY

Ken is in the soccer club at his junior high school. Ken plays soccer after school. Ken wants to become a famous soccer player. Today Ken played soccer with his friend Ben all day. Ben is tired so he plans on doing his homework tomorrow. While they are playing soccer there is a music band playing at the baseball stadium, it is very loud so some people are getting disturbed by the noise. Next to the junior high school there is a gym where some kids and Emma are waiting in line to play archery. While Emma is waiting David approaches her and says: "Hi Emma, did you have a good weekend?" "Yes, I went to our school's band concert!" Emma replied. "Where was it?" David asked. "At the baseball stadium" Emma responded. Some students like sports but others like music like John, Michael and George. After school they decided to go to the instruments shop to buy a new guitar for John. Now he has three. Two of them are brown and one is black. He loves guitars very much!
