LISTENING CARD STORY

Today, Sarah and her neighbor Annie will play at Central Park. Central Park is the biggest park in their city. It's easy to get lost there, so they decided to meet at a bench in front of City Hall. On the way to the park, there is a small temple. Sarah went inside to look at the fish in the pond. Then, she saw a vending machine and bought water because she was thirsty. After that, Sarah went to a stationary store to buy a new eraser. When she arrived at the bench in front of City Hall, Annie was not there. "Oh no, she left because I was late!", Sarah thought. But then Annie showed up. Sarah was not late, but Annie was late.
