LISTENING CARD STORY

Brad is a good boy. He always helps his mother with the chores, like folding the clothes, putting the trash away and making his bed. However, he doesn't like eating healthy food. Everyday he only wants to eat doughnuts! One day, a new doughnut shop opened in Brad's neighborhood. He and his friend Carlos went to buy doughnuts from the new shop, but Brad did not ask for permission from his mother first. When they arrived, the shop was full and Brad and Carlos had to wait in line. After 15 minutes, Brad received a call from his worried mother, who told him to go home. When he got home, he apologized to his mother. While she prepared their dinner Brad helped to set the table. They ate salad and soup together.
